

## **Prodomax Automation Ltd. named one of Canada's Best Managed Companies**

**Barrie, ON – March 14, 2018 – Prodomax Automation Ltd., one of North America's largest automation companies specializing in the engineering and construction of robotic automated manufacturing solutions, has again been awarded the prestigious Canada's Best Managed Companies designation. Prodomax won its initial Best Managed award in 2014 and has successfully retained its status, becoming a Gold Standard winner in 2018.** The 2018 Best Managed program award winners are amongst the best-in-class of Canadian owned and managed companies demonstrating strategy, capability and commitment to achieve sustainable growth.

"Prodomax is honored to be named a Best Managed Company for the fourth year in a row and attain the Gold Level Standard," said Co-CEO, Don Leslie. "The key to our continued growth and success resides within our people. From our leadership team through all levels of the organization we have a culture of continuous improvement and invest heavily in the development of our systems, processes and our people."

"We would like to thank Export Development Canada for nominating Prodomax for this prestigious award in 2014", said Co-CEO, Carolyn McGoey Garvey. "The Best Managed program has become our strategic backbone. Our employees continue to develop innovative solutions to solve complex technical issues getting us closer to our first year delivering over \$100 million of industrial automation equipment. Our supportive culture facilitates the mentorship of new and seasoned employees as we continue to drive our vision of helping our customers be more competitive and win work globally."

Now in its 25th year, Canada's Best Managed Companies is one of the country's leading business awards programs recognizing Canadian-owned and managed companies for innovative, world-class business practices. Every year, hundreds of entrepreneurial companies compete for this designation in a rigorous and independent process that evaluates the caliber of their management abilities and practices.

### **About Canada's Best Managed Companies**

Canada's Best Managed Companies continues to be the mark of excellence for Canadian-owned and managed companies with revenues over \$15 million. Every year since the launch of the program in 1993, hundreds of entrepreneurial companies have competed for this designation in a rigorous and independent process that evaluates their management skills and practices.
